

## 'My Nursery' Golden Rules

We encourage children to follow Golden Rules to promote positive behaviour and keep everyone safe within the setting:

We Look And Listen To Each Other

We Walk Carefully and Safely

We Look After Everything And Everyone

We Are Kind And Gentle

The Golden Rules support 'My Nursery' Values and the Fundamental British Values, and provide simple terminology for children to understand.

To support with the implementation of the Golden Rules across the setting, we use a rhyme.

### Sang to the tune of 'This old man'

Golden rules for you and me  
See how important they can be  
With our listening ears and our looking eyes  
We use our walking feet inside  
  
We use kind words and kind hands  
Look at us with all our plans  
Putting our toys back where they belong  
Everybody sing this song.
